Presented by
Attorney Theresa Varnet,
Fletcher Tilton PC

Attorney Varnet will speak on the issues of Government Benefits your child may qualify for as a result of his/her disability.

She will also discuss how paid employment may affect future eligibility and how an ABLÉ account can be used to preserve eligibility for Needs Based Benefits when a recipient is over income and resources.

Mrs. Varnet is a former educator, Licensed Clinical Social Worker and an Attorney with the law firm of Fletcher Tilton, P.C. in Worcester, MA. She is the mother of an adult daughter who is challenged with special needs who lives independently in Northborough, MA. Mrs. Varnet, a well known authority on Special Needs Life Planning, often shares what parents need to do to prepare for a time when they pass on or become too old or infirm to care for their disabled adult child.
