Prom Spotlight

This year's Prom For All Ages did not disappoint! The sight of smiling individuals walking down the red carpet and being interviewed by a television reporter was another in a series of memorable moments for us at Thrive.

The event was a tremendous success for the second year in a row. We were able to have more participation, and for many of our new attendees, it was their first time experiencing a prom. The wonder and joy of all attendees could be seen in their smiles and laughs. We want to thank our friends at Polar Park, home of the mighty WooSox, our presenting sponsor Saint-Gobain and all our sponsors for another night to remember. You helped us in creating this inclusive event with all of the prom trappings, including the red-carpet walk, amazing flowers, photo bombs, a 3-D photo booth, a caricature artist, dinner, and, of course, dancing.

The proceeds from the prom will fund some of our summer and fall programs to ensure that the individuals we serve have a social network and positive, uplifting life experiences in the coming months. Special shout-out to our Project Manager, Anysha Santiago, for her organization of the event with Lisa Zahariadis for her consultation. And, of course, thanks to our wonderful staff for all their work leading up to the event to ensure the night was perfect!
